# AURORA BUILDING

*Originally listed in the Bartlesville City Directories as 413 ½ S. Dewey. Then in 1925 the building was listed as 413-417 S Dewey Ave. In 2014 the building is listed as 415 S Dewey, headquarters of the OK Mozart International Festival.*

The Masonic Temple at the southwest corner of 4th and Dewey Avenue in Bartlesville was completed January 1919 with a cost of \$525,000. The building quickly filled with various oil companies including the Empire Gas and Fuel Company. As the building draws close to its centennial birthday, it has also been home to I.T.I.O., Cities Service Oil Company, TRW Reda Pump and Rogers State University.

The Aurora Building/Apartments first appeared in the Bartlesville City Directories in 1920. The building was nestled between the family homes that lined the 400 block of S. Dewey Avenue. It offered twelve apartments on the second and third floors with sunny balconies for the corner apartment dwellers and the ground floor displayed decorative cloth awnings with space for business opportunities.

*This photo was taken from the corner of 5th and Dewey before the Aurora Building was constructed showing the newly completed Masonic Temple with the 400 block of South Dewey lined with family homes.*

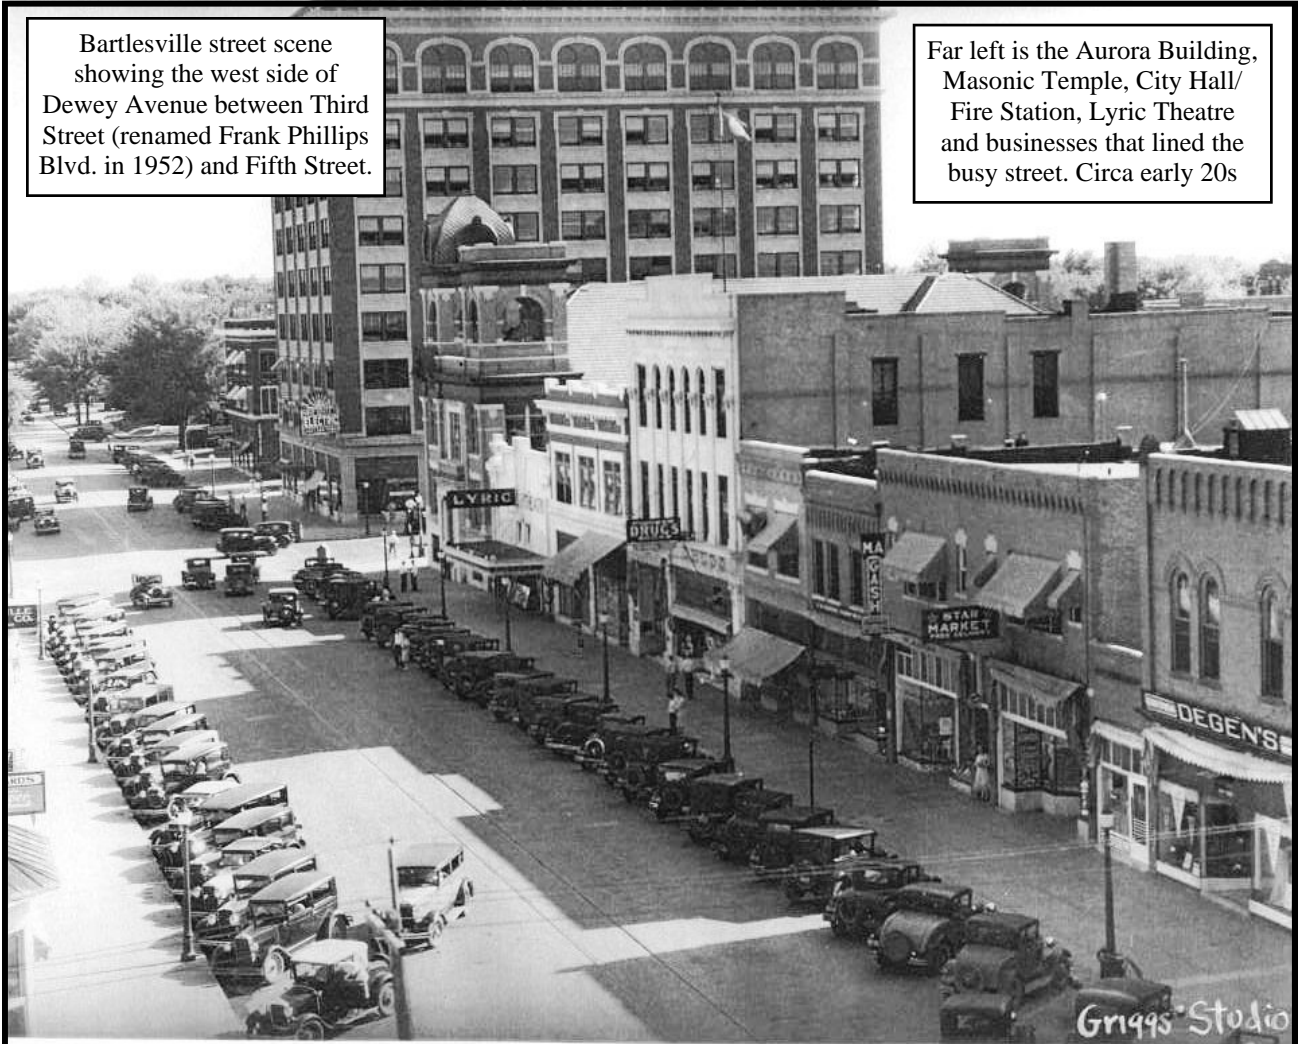

*Left above shows the Aurora Building nestled among homes in the 400 block of S. Dewey Ave. with the Masonic Building at the corner of 4th Street and Dewey Avenue.*

*Left below is the Carman Apartments at 116-118 East 5th Street with the Aurora Building/Apartments facing Dewey Avenue and the Masonic Temple Building at the corner of 4th Street and Dewey Avenue.*

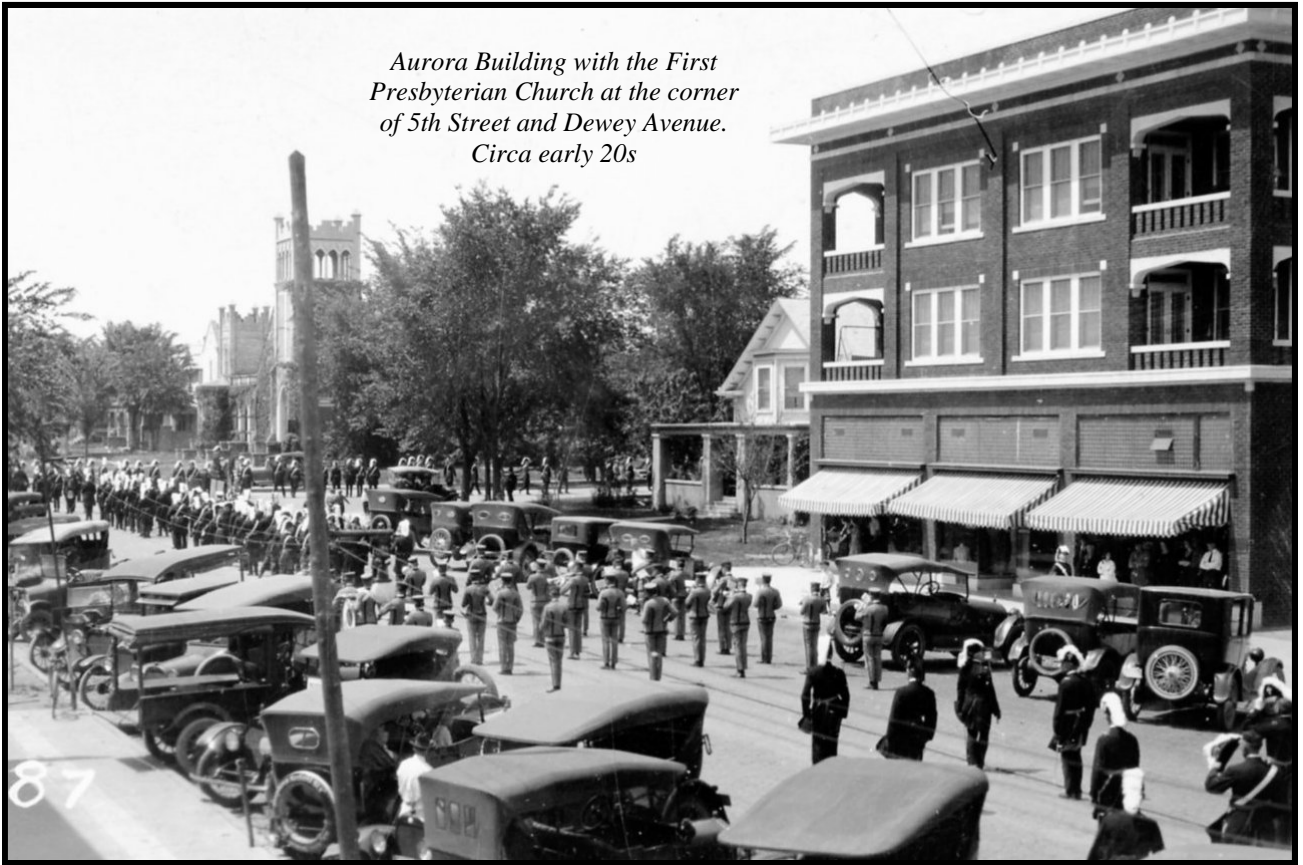

Bartlesville street scene showing the west side of Dewey Avenue between Third Street (renamed Frank Phillips Blvd. in 1952) and Fifth Street.

Far left is the Aurora Building, Masonic Temple, City Hall/ Fire Station, Lyric Theatre and businesses that lined the busy street. Circa early 20s

*Aurora Building with the First  
Presbyterian Church at the corner  
of 5th Street and Dewey Avenue.  
Circa early 20s*

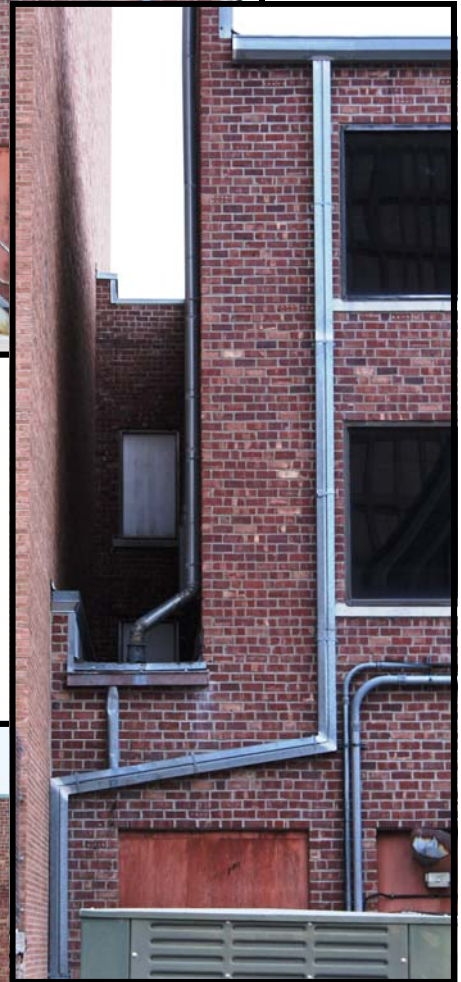

*The Aurora Building/Apartments at 413-417 S. Dewey Avenue*

**The Aurora Professional Building—home of the  
OK Mozart International Festival**

*This photo collage is just in case your curiosity has been sparked as to how the building between the Masonic Temple/RSU building and the Aurora Professional Building/OK Mozart was “squeezed in.” If your curiosity was not sparked before, you may want to take a second look. Remember this block consisted of the Masonic Temple and family homes. Then the Aurora Building/Apartments were constructed and there was a house between the Masonic and Aurora buildings. At some point the footprint between the two buildings became the RSU Annex building. Architects, Engineers and Construction Builders create structures of amazement.*

Masonic Temple—RSU acquired the building from the Schlumberger Co., a worldwide oilfield services company that has major operations in Bartlesville, in 2005. The downtown RSU Bartlesville campus opened in the fall of 2005. Classrooms, offices, computer lab, and science labs are located on the sixth and seventh floor. <http://www.rsu.edu/bartlesville/historic.asp>

It is only through the preservation efforts of today that we will have our past for the future generations to enjoy. Help preserve the history of Washington County, be a History Hero. Please donate your photos and artifacts of Washington County history to the BAHM for future generations to enjoy.
